From: Fellowship Word of Life Church
To: Distinguished donors

Gratitude & Appreciation

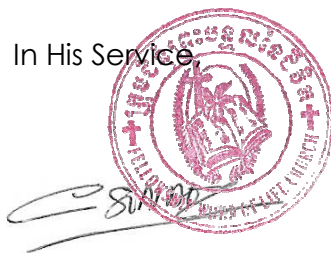

Dear distinguished donors,
On behalf of the **relief team committees, Fellowship Word of Life Church, New Hope for Orphans Organization, South East Asia Prayer Center-Cambodia and Native Partner for World Mission**, I would like to extend my heartfelt to thanks all generous contributors toward the people who have recently been affected by flood in Cambodia.

We appreciate your prayer and financial contribution toward the flood victims. Your generous contribution makes a different in the lives of Cambodian people through aids assistant program in the time of hardship regarding to provide food for their daily living during disaster; therefore, many of them have come to accept the Lord Jesus as their Lord and Savior.

We are very grateful to the Lord for sending people from a different nations gathering together to join hands and being a channel of blessing to meet the physical needs in order to relieve them from hardship and suffering. Unto His grace and provision, thousands of families have received aids at the right time of needs.

Thank you so much for your prayers and willing to meet the need of the flood victims in Cambodia. May the Lord bless you, prosper your family and continually pour out His blessing upon your church and ministry.

In His Service,

Rev. Sinai Phouek
Founder/Country Director
Fellowship Word of life Church
Native Partner for World Mission

FLOOD RELIEF AIDS ASSISTANT PROJECT

FWLC looking to meet the greatest needs of vulnerable and affected families

The Fellowship Word of Life Church cooperates with the local churches and authority and found many people don't have enough food to eat during flood—many are dying of hunger. And most survival people are waiting at home crying for help. Some houses are submerged in the water, so they don't have any shelters. Furthermore, people are facing with diseases and most of them were sick and unable to access to health care center. People drink unsafe water from the floodwater that contains a lot of virus affected their health. Many people and families were victims by the flood. Most of them are waiting and need aid to keep them survive during flood. Many villagers had not received any emergency assistant and no officials had visited the area. Some families received aids but unreached families are not. They only sit at home and are waiting for aid to come. They are hopeless and helpless.

To response to these crucial needs, The Fellowship Word of Life, New Hope for Orphans Organization formed a flood relief team committee to gather the fund to help the venerable people affected by flood. The gathered fund put under the Fellowship Word of Life Church as a flood relief aid assistant project. Through this project, many come together as church, family and individual in prayers and financial contribution to bless the flood victims and to meet their physical needs at the right time –Thanks God for the provision!

For a few months, the relief team work has been working very hard to manage and distribute aids to the flood victims in various provinces of Cambodia. Through this aids assistant project many flood victims have received aids and the gospel of Jesus is being preached and many have accepted Jesus as Lord and Savior. It is really true that people can find God in the time of hardship, famine and suffering. It is such a double blessing for them that God meets their physical needs and spiritual needs at the right time and the right place –To God be the Glory!!

Rice Distribution to the vulnerable flood victims

FUNDRAISING TEAM WORK COMMITTEES

❖ Upcoming Project Plans

○ Rice Seedling Project

This project is to deliver the rice seedlings to the 30 Christian families in Cambodia because their crops have been destroyed by the flood. They are poor and don't have enough budget to buy the seedling to plant.

○ Chicken Farm & Piggery

These Project Plans are to build Children's Home Self-Sustainability, to support the ministries, and to outreach the community and villages. *Please join hands with us, so we will have enough funds to run these projects for the year 2012.*
