WORD OF LIFE CHURCH

**Reaching out and Transforming
the Lost for Christ**

Dear friends,

People often ask the question are you a Mary who listens to the words of Jesus or are you a Martha one who is busy doing? The truth is we actually need to be both, a listener and a doer.

James 1:22 instructs us to be not only hearers of the word but also doers. Hearing and doing go hand in hand,

especially when we consider the importance of advancing the Kingdom of God through our churches and as individuals. How important that we hear from God, His heart, His plans and His ideas to reach Cambodia and build ministries that stand the test of time and receive God 's approval. But hearing is not enough, we need to put what we hear into action. It was a powerful time and I am sure you will be inspired and encouraged as you read the key message.

God bless you abundantly,

Dear friends,

who are satisfied with merely coming to church for worship and fellowship while ignoring the corruption and suffering in their society and nation, are failing in their mission as Christians and the Church.

It's time to believe again:

Change the World one person at a time.

Jeremiah 29:11

I know what I'm doing. I have it all planned out-plans to take care of you, not abandon you, plans to give you the future you hope for.

*How much more God
has for us if we dare to
ask, seek and knock!*

The service at Fellowship Word of Life Church may include quiet times of waiting in God's presence, spiritually savoring the sacred atmosphere. Other time may be noisy with collective praise as worshipers are invited to spontaneous expression of love and adoration to God. In everything, a flow of worship should be evident and despite the spontaneity and excitement, a certain properness and order. Worship style will reflect the spectrum of personalities. Some are quiet and reserved. Some happy shouters. Others are simply tender and openly emotional, during times of praise or preaching. No sincere worshiper need feel out of place in Fellowship Word of Life Church. And each expression will blend without disruption into the flow of worship.

Bible study and prayer meeting at Student Center (Thursday & Friday 9:00-10:00pm)

Every Thursday & Friday from 9:00-10:00pm, we have Bible study and prayer meeting with all students at SC. The anointing of God really working in us as we submit and humble ourselves to Him and seek Him with all of our heart by praise and worship and bible study together. One of them (Oudom) got a wonderful testimony, during bible study and quiet time in prayer.

God gives him a vision and broaden his vision to serve the Lord and have a heart for His mission filed. And Sophal also gave the same testimony how God transform and broaden his vision and release his faith to believe again that his life will become a best soul winner for the Lord.

Blessing for the poor children

We have been providing English, music and computer class to the poor children, students and orphans, as well as education, food and development social. Please help us. Anything is welcome: clothes, school supplies, computers, your time or kind words, etc.

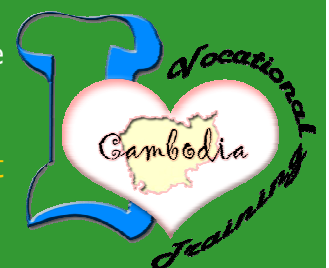

Fellowship Word of Life Church gives a chance for poor children and orphans to have English classes. Nowadays almost 80 students come to study English, Computer and Music for free of charge. Prayer always the first thing we should do before we do anything, so 15 minutes for sharing God's word and prayer before the class start. All teachers are volunteer and most of them are students from Student Center, Scholarship Student. The purpose of the issue is to transform and reach out the neighboring communities to the Lord.

Please keep praying for this program to be successful for transform through the children to their parents.

Prayer Request: \$250 per month for volunteer teachers and transport for them to do the outreach and program with the students.

Cell group Meeting (Friday & Sunday, 3:00-4:30pm)
