

Fellowship Word of Life Church

We invite you to join with us in rebuilding the lives of Cambodian people in Cambodia

*"Give a man a fish and he will eat for a day.
Teach a man to fish and he will eat for a lifetime."*

John 7:37 "...If anyone is thirsty, let him come to me and drink."

Fellowship Word of Life Church wants to see believers deepen their relationship with God and with other believers and want to see them broaden their vision, skills and understanding of Christian leadership so that they are motivated to lead humbly and holistically. We want to bring a touch from God to impact their lives. Our purpose is to make believers become the best disciples for Jesus, they will turn on for Jesus and they will become the best soul winners and revivalists for the Lord.

Vision Statement:

Reaching out & transforming the Lost for Christ.

Mission Statement:

Reaching out to the community, interceding for one another, planting churches and releasing members into ministry.

Primary Reason:

1- Evangelize the Lost 2- Worship God 3- Disciple Believers 4- Show Compassion

ILC members spend one day for fasting and praying to God for His direction for our outreach team. We praised and worshiped the Lord with grateful heart and with a clear vision to serve Him for the year 2012. During fasting time, God really spoke to us and instructed us to humbly serve Him and with a vision to bring His love to the underprivileged. It is a

wonderful time for us to seek God and asked for His revelation. God really touched their heart and they started to encourage other people to join with us in ILC Program. After fasting we went out for a walk and fellowship by serving one another.

Our desire for the university students is to bring a clear vision from God for them and wants to see them meet Jesus personally, to know Jesus, and to serve Jesus. The youth has been educated through the Word of God by encouraging, equipping, and empowering them in order to make our

purpose statement becoming reality. Hopefully, they will build themselves upon the rock of salvation and become a good servant for the lord to the community.

Women meeting is held on our church one time a month. Most of them are the faithful servants who have been a vital part of the continuing ministry of God. The purpose of women's ministry is to create a reflection which women can understand spiritual maturity, develop their leadership skills, minister in the church, and transform community and the world. Our vision is to see they:

- Connect to God constantly,
- Listen to his call,
- Reach out to the lost with compassion,
- Trust in his promise, and
- Bear fruit of spirit

On 29th January, 2012 Fellowship Word of Life Church handed over the Baptism Certificate to the church members who have been baptized by Pastor Vanna and Rev.Sinai.

I Love Cambodia Project

Bright Smiles, Bright Futures

A hungry children cannot learn

Nowadays, ILC has provided free education to poor communities with 24 volunteer teachers of 150 students. Through this program, many children and poor students can now read and write English. With the effort of volunteer teachers, the student's result of passing to the next level is increased. This really makes a difference in the life of the children, poor students and continually reaching the path of a brighter future and a great hope for them to have capable human resource to help and develop their own communities.

English, computer, and music classes are the most important things for ILC because Cambodians need a full scope of knowledge. We found that this is the key to bring the Good News to our students.
